

Welcome to the 2022 season of the Cazenovia Lakeside Park boat launch

The Lakeside Park boat launch located on Forman Street (East Lake Road) in Cazenovia will operate daily from Saturday April 23rd through Monday September 5th from 6:30 am until 8:00 pm with the following exception. **On Sunday, August 21st the launch will not open until noon due to the annual Cazenovia Triathlon.** Between Labor Day and Columbus Day, the launch will operate on Fridays and weekends from 6:30 am until 6:30 pm. The launch will close for the season on Columbus Day October 10th. However, the launch will be open for boat removal only on Saturday October 15th and 22nd from 9 am to 12 noon.

Village of Cazenovia and Town of Cazenovia residents may use the launch at no charge and non-residents may use the launch for an annual seasonal \$75 fee. Both residents and non-residents must complete an annual permit form along with a copy of your driver license, **valid** boat and trailer registration and submit it to the Village of Cazenovia Office. Non-residents may purchase late season permits for \$40 beginning July 31st and are available at the Village office.

The boat launch permit form is available on the Village of Cazenovia website.

Midweek daily permits will be available on Non-Holiday Mondays, Tuesdays, Wednesdays and Thursdays beginning at 10 am for \$10, subject to availability of an open visitor parking space. Day permits are available at the launch from the lake stewards upon completion of an application and presentation of a valid NYS driver's license. ***Day permits are exclusively for boaters who will be both launching and hauling their boats on the same day.***

All seasonal boat removals in 2022 must be completed by the launch closure on October 10th or on the two subsequent Saturday mornings. Failure to comply will result in a \$30 fee to open the launch.

All craft will undergo invasive species inspections prior to launching as part of our continued efforts to control invasive species in Cazenovia Lake. Per the latest NYSDEC guidance, outbound inspections will be performed as well. This year we will continue to ensure that all baitfish are certified. Please keep your receipts for 10 days as is required by NYS law.

The Town of Cazenovia, Village of Cazenovia and our partner organization, the Cazenovia Lake Association thank you for contributing to the health of the lake. If you are interested in learning more about the state of the lake or want to see what you can do to help us maintain the lake, please visit the association's website at <http://www.cazlake.org/>. We appreciate your patronage of the launch and your courteous use of the lake, other recreational users and private land owners. Enjoy a great summer!
